Press Awards Dinner To Attract 100 Newspaper People

Robert E. G. Harris, chairman of the graduate department of journalism at the University of California at Los Angeles, will be the principal speaker at the sixth annual Press Awards Banquet Friday night, at the La Jolla Beach and Tennis Club. Subject of his address will be announced later.

Arrangements for a University of California speaker were made by the San Diego Chamber of Commerce, sponsor of the annual banquets because of growing interest in the state university as a result of efforts to obtain an enlarged branch at the Scripps Institution of Oceanography which would feature scientific and engineering studies.

The Rev. John L. Storm, president of the University of San Diego, will be chairman of the banquet and will introduce the speaker.

Winners in four annual contests will receive awards during the banquet. Trophies are awarded by the San Diego Union for outstanding community service by a County newspaper; The Evening Tribune, for the best news story; Carlyle Reed, in honor of the late Henry C. Reed, for the best editorial, and the Public Relations Club for youth service.

Judges of the contests, who are scheduled to meet prior to the annual banquet to evaluate entries, are Malcolm Donnelly, president of Sigma Delta Chi, journalistic fraternity; Tom Ables, president of the Public Relations Club, and Lee Packard, president of the Sales and Advertising Club.

Advance reservations to the banquet, which will start at 7:30 p.m., following a cocktail hour, indicate that about 100 will attend.

Helix School Road Reopened After Trustee Acts

Murray Hills Road leading from Lemon Grove to Helix High School has been reopened 60 days ahead of schedule after being closed for one month to accommodate subdivision developers in La Mesa.

The closing caused several hundred Lemon Grove students who attend Helix to take a circuitous route by way of Massachusetts Avenue. Considerable inconvenience in additional distance, loss of added expense and danger resulted. The rerouting formed dangerous bottleneck conditions on University Avenue where school and regular traffic converged.

Closing permission was originally granted for 90 days by La Mesa City and San Diego County officials and was for the benefit of subdivision developers who had started a residential tract on the north side of Murray Hills. Closing was asked to permit moving of earth across the road by heavy road equipment.

Since no bus service is given Helix students in Lemon Grove it is mandatory that many use their autos. This newspaper, at the time, editorialized bitterly against what it claimed was arbitrary action by which students were sold out for the benefit of subdividers. The road closing, this newspaper argued, could have been delayed a few weeks until school vacation with little inconvenience to the subdividers.

This newspaper petitioned Palmer Svalstad, Lemon Grove's lone representative on the Grossmont High School District board to intervene in the matter. Helix High School is a facility of the Grossmont District.

Svalstad convinced Lester Halcomb, L Mesa City manager that the road closing was unreasonable. Halcomb got together with the subdividers and worked out a plan by which one side of the road could be opened. This plan was taken to Lewis Smith, superintendent of the Grossmont High School district. He not only approved the plan but got together with Joe Mack, San Diego County Road Superintendent and Mack agreed to remove the county road department barricades at Waite Drive and Murray Hills Road at once.

The high school road will remain open the last few days before school closes thanks to the aid and assistance of the aforementioned officials.

Svalstad said „Murray Hills Road will be one-way part of the time . . . and dusty all of the time, and road users will travel it at their own risk, but the road was open as of Tuesday!

THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Supervisors had several matters to consider at Tuesday's meeting, including what was thought to have been the final on Hardy Drive assessment.

Rev. Phillip Bartlett, representing the church, and Mrs. Russell Ray and her sister, 7931 Palm, representing themselves, were still opposed to the assessment, even with the reduction, as stated two weeks ago. Thought the assessment was still too high.

Chairman Bird, in an effort to save some of the engineering expenses already performed, suggested that possibly the matter could be split into two parts provided some protestants withdrew their objections.

Road Commissioner Mack offered two proposals. The ladies agreed to withdraw their objections temporarily. Rev. Bartlett said he could not withdraw without instructions from his committee.

An agreement was drawn up and signed by Mrs. Ray and her sister, and a special meeting of the board was called by Chairman Bird, for Tuesday morning. This is the last day for the board to act in this matter.

On Thursday, two more proposals were offered. One reduced the cost by $4,000 and two protestants signed up. The road project will now be put up for bids.

Sales Tax

The board took no action on the proposed county-wide one per cent sales tax after more than 20 persons had testified at an hour long hearing.

The supervisors indicated after the hearing that action may be taken before the end of May on the levy.

The proposal would levy a one per cent tax on most retail sales in the county. Since the nine incorporated cities in the county now have one per cent sales taxes, the measure would affect only unincorporated areas.

Ladies Interested

League of Women Voters, represented by Mrs. Breslauer of La Jolla, are taking an interest in city and county affairs. Mrs. Breslauer had a press seat, seemed greatly interested in the proceedings. Said the league ladies were discussing county government, found the study interesting and instructive. Chairman Bird came over and met the lady, asked if she had any questions.

The planning director submitted the appeal of Lee Galland from the commission's decision denying his application for a reduction in front yard setback from 75 feet to 48 feet from the centerline of Broadway, for a sign on property in the Lemon Grove Zoning District. (To be

27,635,000 GALLONS

Record Heat Spins Water Meters To Near Record

Water use in the Helix Water District reached its second highest peak in the history of the District last Thursday. Use of water within the District on that day was 27,635,000 gallons. Only peak exceeding that was September 2, when use was 32,426,000 gallons.

M. J. Shelton reported to the board of directors of the Irrigation District Tuesday morning that the District was able to meet the peak and the other days of excess use of water without major difficulty. He explained that this was possible only due to the shortness of the hot period when water use was abnormally high.

Woman's Club To Install Friday

Mrs. Fred Scheneman will be installed as president of the Lemon Grove Women's Club, Friday at 1:30 p.m. at the clubhouse. Mrs. Hal Crow, retiring president will be the Installing officer.

Other officers include: Mrs. L. F. Vlach, vice president; Mrs. E. L. Du Chemin, recording secretary; Mrs. Erland Anderson, treasurer; Mrs. J. F. Gillespie, corresponding secretary; and Mrs. Walter Shimp, senior advisor to Juniors.

Hostesses: Mrs. Milton Kelly, chairman, assisted by Mmes. Martin Matson, Albert McGue and Miss Ruth Bell.

Mrs. G. A. Turner will present a musical program after installation and during the tea hour.

The Dimmer VIEW

By MAX GOODWIN

Considerable alarm has been expressed by local fresh water fishermen as a result of the closing on Wednesdays such lakes as Sutherland, Upper Otay and Barrett.

Immediately, and with some justification, sportsmen who have been getting away from their labors during mid-week to indulge in the gentle art of bait-wetting, put up an awful growl.

They advanced such arguments as the fact they paid good, American folding cash in January for a state fishing license. This implies, but does not guarantee that the state will keep open public waters where the watery denizens were started by the California Division of Game and Fish.

Additional argument is that fishermen have invested heavily in tackle, trailers, boats and motors. Those who call the turn on fishing restrictions, they aver, are selling short without recourse, hundreds of families whose only link with nature are their mid-week forays. In addition they are destroying the sports woof-and-the-warp of the younger generation by taking away a one day segment of a three day fishing week.

I chased down the facts on the mid-week closing of these three nearby lakes.

Captain Leslie Edgerton, local director of the state game and fish division claims his division held no jurisdiction over the number of days privately owned waters are closed. As a matter of fact, restrictions are encouraged by this division in the interest of conservation.

These lakes are owned by the city of San Diego, a corporate community.

Robert Payett, supervisor, recreation specialist for the San Diego Water Department, under wose direction fishing at these lakes falls, said that he had appealed to the San Diego City Lakes Recreation Commission for permission to close the lakes on Wednesdays. Payette said that his request was based on two premises. First, sanitation. These impounded waters make up the city's water supply and the normal refuse left by hundreds of fishmen is fantastic, he said. That fact also brings into the picture the economic consideration. He admitted that regular employees could possibly handle the fishing public on Wednesday, although it added another half day of work, a fishing day being 12 hours long.

The cost of sanitation created a problem, however. This involved the cleaning up of the lakes' shore. Thousands of beer cans, bait containers, garbage from lunches and empty food containers make an unsightly mess. This requires the services of at least one man a full day at each of the lakes, he says. No funds are available for this service except from the one dollar fee charged fishrmen. If you think the clean-up is not a considerable chore I invite any of you to visit one of these fishing lakes late Sunday after the Sunday crowd has left. It's shockingly filthy!

Finally, I checked out the city lakes recreation commission. Floyd Johnson, chairman of the seven man commission, is also principal of Hoover High School, seemed reasonable in his approach. He said the commission wanted to give the best fishing to the most people. Depleted fish population in some of the lakes made the Wednesday closing necessary, he said. He is of the sensible belief that there should be a reasonable chance of catching some fish by virtue of fish population. He said the commission had instituted an experiment at Morena Lake by keeping it open Wednesday through Sunday not only to encourage fishermen, but campers as well.

Upper Otay will be opened more often than Saturday and Sunday if water level, fish population and the demand for its use improves. This is also true of Barrett and Sutherland.

This, I hope, will show there is nothing sinister or mystical about the Wednesday closing of city owned facilities in the county. The apparent need for restrictive fishing does point up again a fact we are all aware of. Fresh water is a premium commodity in Southern California whether it be for drinking, fishing or sprinkling the lawn. Failure to recognize this fact is one cause for getting upset when fishing freedom is not the same as it is "back home."

Long Time, No See, Say Mangano Brothers

Everbody knows Ted Mangano, who has lived in Lemon Grove approximately 25 years. Everybody, that is except his brother John, above, left.

Ted, who operates the furniture store at 7981 Broadway, has not seen John for 34 years. They separated in Italy when John was five years old. Ted came to the United States and John went to Australia where he became a taxicab mogul in Cairns, North Queensland.

On a tour around the world, John came last week to visit Ted at his home at 8200 Golden Avenue. He'll stay until time to fly to New York to get aboard the luxury liner Queen Mary for the last leg of his trip before heading home.

The brothers were not too surprised at the appearance of each other since they had been corresponding regularly. Photographs sent at regular intervals took care of the appearance problem.

John is a bachelor and is an admirer of American feminine pulchritude. The men have two other brothers, Joe in Italy, and Sam in Australia. A sister, Nella, lives in North Queensland, Australia.

On Sunday at 1 p.m. championship awards will be made at the rodeo grounds.

IF IT AIN'T EDUCATIONAL IT'S OUT

$8500 Lopped Off Record School Budget

Curtailed services on other than education items for Lemon Grove School youth will be in order if present trends of the Grove Elementary School trustees in budget cutting continues to prevail. The 1957 spring recreation program was dropped and reductions were made in school operational and maintenance costs.

Weighing every item on the million plus dollar budget, school board members lopped approximately $8500 from the first portion of the tentative proposed budget in a 4 hour special session Monday evening. Attacking this year's $89,000 higher budget with sharpened axes and an eye to reducing school costs to a minimum, the board stated that salaries would not be considered until the preliminary budget had been thoroughly reviewed.

Next Monday, May 28, at 5:30, the board will sit once again at the Lemon Grove Education Center to consider further portions of the 1956-57 budget and possibly establish salary schedules for both classified and certified personnel.

The cut of $2250 recommended in the community services will eliminate the March through June recreation program for boys and girls of the community. Present plans call for a continuation this summer after July of the program, although the funds would come from the 1956-57 budget. The final decision in this, as in other monetary matters, rests with the five-man board that governs the school district.

Discussion centered around the possibilities of curtailing nurses' services at the several schools. Such a cut, if put into operation, would give pupils services similar to those received here last year before additional nurse hours were secured.

A reduction of $500 was made in the transportation budget with no change in present services anticipated except that cut back because of increased enrollment.

Other areas to be affected by proposed reductions include maintenance and repair of grounds, buildings, and equipment, reduced $500 through curtailment of the vocal music program and educational conference funds; medical supplies, $100 administrative, $1200 less in travel allowance and office supplies; operation of school plants, $300; capital outlay, reduced $1500 through cuts on grounds improvembent and $700 on improvement of buildings cuts.

Part of the budget, including further study of capital outlay and a review of other items, remains to be covered. Then the board must consider the problems of salaries, since both teacher and classified associations have asked for increases to bring incomes up to those surrounding districts. This will be considered at the May 28 meeting.

5 Winners Named In Public School Week Essay Contest

Plaques were awarded Sunday to five "best" of 30 contestants in the Lemon Grove Masonic Lodge Annual Essay Contest during an awards dinner at the junior high school cafetorium. The competition is held each year in conjunction with Public Schools Week.

Winners, and their grades and schools are as follows:

Bonnie Rether, 4214 Blackton Drive, fourth grade, V.L.M. School.

Carol Foster, 1490 Skyline Dr., fifth grade, Monterey Heights School.

Maureen O'Connor, 3018 Main Street, sixth grade, Intermediate School.

Molly Danielson, 4003 Charles, seventh grade, Intermediate School, and

Ronald Kelley, 7016 Waite Dr., eighth grade, Intermediate School.

The 25 runners-up were awarded medallions. Luther Hussey was Public Schools Week chairman for the lodge. Clarence Allen was master of ceremonies.

Two hundred persons attended the dinner.

Tax Increases Must Be Stopped Men's Club Warned

You'd have thought a junior sized hydrogen bomb was dropped in the Men's Club Friday what with all the fire and fervor, spirit and vigor that exploded around the general subject of "taxes—and they're too d high."

Speaker was Dr. Frank Gigliotti who claimed too many taxing agencies had "champagne tastes" while the taxpayer had "beer" paying ability. He said that a tax revolt would come in 5 years unless we change our evaluation methods.

He said that a limit must be set on property taxes and that our elected representatives must be convinced that they must subscribe to that philosophy.

"Citizens must get legislators to be sensible about taxes if we are to protect our homes and our future," he said. "Proof that citizens can do it is that a handful of them was instrumental in reducing school construction costs in the local school districts by demanding less frills," Gigilotti said.

Harry Griffen area investor and builder deplored the current tax trend. "It poses a serious problem whether one can own property," he said. "Still," he pointed out, "as long as we demand more services, better schools and more teachers, better water pressure and the like, we must be prepared to pay for it."

"Demands cost money. Thinking persons attend budget hearing and ask questions about demands for expenditures. This is the point at which economies can best be made," he said.

Luther Hussey, attorney, said that 80% of the taxes are state and federal. "Most of the taxes are so well hidden that we never know we are paying them. Taxes are never revoked," he said. He made Grossmont Hospital a case in point. "Expansion plans are already under way, he pointed out. New construction and added personnel will increase the budget total," he said.

Griffen, speaking again, said that consolidated school, water, sanitation and fire districts would cut down a myriad of administrative expenses and problems. This led to consideration of the borough system.

A motion from the membership to hear a talk on the borough form of government brought action. Miles Nagel, chairman of San Diego County Borough Committee of the San Diego Industrial Development Council was contacted and he will provide the program for Friday.

Attendance being small, treasurer Kenneth Barwick declared a 25 cent dividend for all members who were also present the week previous. Those who were absent were fined the customary quarter.

Meetings are held each Friday noon at Michael's.

Prizes and Pretties Part of Firemen's Annual Ball

Prizes, dancing, beautiful queens in contest, floor show and fine food will be part of a gala ball given by the Annual Lemon Grove Firemen's Relief Association Saturday, June 2 at the Junior High School Cafetorium.

Fire Captain Alexander said that door prizes value would be in excess of $300. Festivities will last from 8 p.m. to 1 a.m. and music for dancing and show will be supplied by Bill Russell and his orchestra. Tickets are being distributed upon donation of $1.

A beautiful Lemon Grove miss will reign as queen of the ball. Those who have entered the competition are Janet Carter, Jan McRae, Jody Croon, Mary Tryton, Constance Kratz and Barbara Leone. An engraved bracelet will go to the girl chosen as queen.

Food will be prepared by the Fire Department Ladies' Auxiliary. Proceeds from the ball will go to the Firemen's Relief Association and will be used for partial payment of the men's insurance and for unexpected personal emergencies.

Tickets for the ball are available from any fireman, queen candidate, at the fire station or at the door on the night of the ball.

High School Students To Take Over Rotary Club Operation Monday

Junior Rotarians, Helix High students all, will take over the entire program Monday at the Lemon Grove Rotary Club, and handle everything from the bondage and fine to the program and the prayers. This is the first attempt to put the reins of the club for one day in the hands of area youth.

Art Glickman, Grove business man developed the youth activity in conjunction with Mel Grant, Helix assistant principal. Each month the club has had as its guest an outstanding young man attending Helix. These youths, each of whom has been selected during one month or another for his all-around qualities, will all have a part in Monday's meeting. None of the regular members, with the exception possibly of Glickman who will only introduce the junior program chairman, will have any part in the meeting . . . except, perhaps, to shudder and dig deep when the neophytes dole out fines.

Participating as Junior Rotarians will be Ron Svalstad, Montie Dickinson, Jim Gerard, Melvin Robinson, Dick Crittenden, Defoe Miller and Russell Dahlquist.

Entertainers will be Don Sleet, multiple instrumentalist, Nancy Lindberg, accompaniest and Jim Gerard, m.c.

The youths have acquired a guest speaker whom they say is outstanding in his professional field. They have asked to be allowed to keep the name of the speaker a secret until the meeting for a greater dramatic impact.

Meyer Zung is nominally president of the club which meets at 12 noon at Michael's each Monday.

James Dorman Wins Track Letter At Pomona

CLAREMONT (Spcl): — A Lemon Grove youth, James Dorman, was one of the three county athletes winning varsity track letters on the Pomona-Claremont Sagehen squad this season.

A junior at Pomona, Dorman is an economics major. He is the son of Mr. and Mrs. V. J. Dorman, 7615 Circle Drive and is a 1953 graduate of Helix High School.

He won the letter for pole-vaulting.

Hugh Martin of Campo and Art Sherwood, 4512 Del Mar Ave., San Diego were the other two.

Girls' Groups Graduation To Be Held on Mt. Helix

On top of Mt. Helix in the amphitheatre will be the graduation or "fly up" of the Blue Birds to Camp Fire upper classifications on Sunday June 3rd at 2 p.m.

There are four ranks in Camp Fire: Trail Seeker, Wood Gatherer, Fire Maker and Torch Bearer. There will be graduations in all classifications. A brief ceremony will include Invocation by Reverend Bruno Pueschel, greetings by Mr. Justice Lundquist who will act as Master of ceremonies, lighting the fire by the girls in Mrs. Firebaugh's group, a short talk on "why we have Blue Bird graduation ceremonies" by Mrs. Richard Barbour, extinguishing the fire by the girls in Mrs. Lundquist's group and the Benediction by Father Young.

Taps will be played by John Latham and Stanley Singer.

Driving Too Slow In Passing Lane Will Bring Citations

SACRAMENTO (Spl.) — Driving in the passing lane on multi-lane highways and driving too slow on two lane roads are serious accident-causing violations of the California Vehicle Code, says the highway patrol.

"With the approach of summer, California traffic is expected to reach an all time high," declared Patrol Commissioner B. R. Caldwell. "In order that our highways may accommodate with safety the heavy traffic volumes anticipated, there must be stricter obedience to the traffic rules. It is essential that all motorists accept the responsibility of not impeding or hampering traffic," Caldwell continued. "There are far too many accidents caused by drivers traveling too slow and by those who persist in staying in the passing lanes illegally.

"The patrol intends to continue its enforcement efforts against all violators but will emphasize action to stop driving in the wrong lane and the slow road blocking type of driver."

Protests Taxes, But Law Refuses Refund

Tommie Lawrence, 7471 Madison Ave., Lemon Grove, who says he has protested twice to the assessor's office that he was assessed too high and that no refund could be made for past three years, has finally received some recognition.

Lawrence thought the assessment on his personal property was too high, also that a fence between his property and his neighbor was assessed entirely to him.

Under date of February 2, Norman Robertson, chief appraiser, wrote to Lawrence "One of our appraisers had made a field investigation to determine the proper assessed value of your furnace and the correct segregation of value of the redwood fence between you and the adjoining property.

"He determined that the furnace was over assessed, and that you and your neighbor were both owners of the fence. He has recommended a reduction in the assessed value of your improvements from $2750 to $2350 for 1956.

"Thank you for your cooperation and for calling this matter to our attention." Signed, Norman R. Robertson, chief appraiser.

That last paragraph made Lawrence smile, as he says he has been to the assessor's office three times about the matter, and was told each time that nothing could be done.

It develops that Tommie neglected to protest to the board of equalization for three successive years, which is the reason for his not getting a refund.

Tommie says he wants his neighbors to know what to do if they think they are over-assessed. Just write letter to the board of equalization, care board of supervisors, before July 1 of any year, state your objections and you will be granted a hearing.

You might add that the arbitrary action of Assessor Eddy in eliminating your householder's exemption of $100, each year costs you around $7, despite the assessor's claim that a ten per cent value of the improvements was arbitrarily set included this householder's exemption.

If any of you think your property is not correctly assessed, go to the assessor's office the last of June and demand to know the value placed on your possessions by Eddy. (And if you don't get a complete answer, just tell the REVIEW.) But don't wait till you get your tax bill. It's too late then. The figures are available July 1 of each year.—D. H.

STORK BRINGS ONE GIRL EACH TO LEMAN GROVE AND SPRING VALLEY

Mr. and Mrs. Walter Shultz, 3673 Front St., Lemon Grove, were visited May 10 by that rare old bird commonly known as The Stork. He delivered an 8 lb. girl.

Mr. and Mrs. Wilbur Reed, Star Route, Spring Valley, were also happy to receive a visit from Dr. Stork, who delivered a girl, 7 lbs. 3 oz., on May 11.

The pickup point for these two deliveries was La Mesa Community Hospital.

Grove Scouts Aid In Reforestation

By JAMES A. SETCHELL

Laguna camp grounds was the scene of a united campout of Boy Scout troops 108 and 309 of Lemon Grove Saturday and Sunday.

Trop 309, led by R. Heiserman and his assistants B. W. Elsa and R. A. Jones, and committee chairman E. L. Denlinger, counted 41 boys present. Troop 108 consisted of 25 boys and their leader Charles Curley with his assistant, Ralph Tennison.

The object of this particular outing, in addition to pleasure and training, was to join with the State Forestry Department in trail improvement and reforestation. A full half mile of trail to Garnet Peak was cleared, widened and straightened and water diverters erected about every 100 feet to prevent erosion.

In the work of reforestation Troop 309 accounted for 41 trees and Troop 108 for 25. These trees were removed either because they were diseased and had to be destroyed to prevent the spread of this condition, or they were removed to allow other larger trees a better chance to reach full growth.

Both troops wish to acknowledge the fine cooperation from Forest Ranger Heilman in this project.

The Saturday evening "camp fire" was the united activity of Troops 309 and 108 in which they were joined by Troop 75 of Coronado and Troop 360 of Fletcher Hills.

Copper Jewelry Big Nationwide Hit With Women and Girls

Belts, Jewelry and other items of adornment made of highly burnished and specially treated thin-rolled and tooled copper is sweeping the country in popularity among women.

The development and unique lace and other designs are patent applied for by Renoir, manufacturers of distinctive jewelry. This line is handled and may be seen in Lemon Grove only at Morrison-Adams, jewelers, 7919 Broadway, one of the most modern and complete jewelry stores in San Diego County.

Morrison-Adams received a large initial shipment of these new and fashionable items recently, and have already placed an order with the manufacturer for a substantial additional quantity because of the large local demand.

In addition to the great attractiveness of this jewelry, which is modestly priced from $2.00 up, it will give lifetime wear. Only by seeing the Morrison-Adams display can women appreciate its beauty.

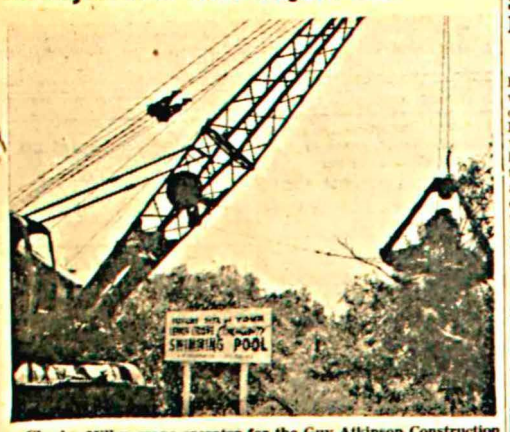
Freeway Firm In Good-Neighbor Deed



Charles Miller, crane operator for the Guy Atkinson Construction Company uses huge crane to snake citrus trees off the property of the Lemon Grove Swimming Pool Association so that area may be used for youth recreation projects until funds for swimming pool are forthcoming.

With no funds available for the above job, attorney V. J. Dorman, legal chairman for the pool group appealed to Tom Hawley, projects superintendent of the Lemon Grove freeway for the Guy Atkinson Co. and Hawley quickly agreed to clear the land without charge. Off-duty fire department men burned the trees.

The area, located southeast of the intersection of Washington and Mt. Vernon, will soon be echoing wih the squeals of young ball players as a result of the "good neighbor" co-operation.

HISTORIAN SLYLY SLIPS HUMOR IN SLIDES

By MRS. C. J. McMAHON

A novel, presentation of the history of the year's activities was made at the annual meeting of the Lemon Grove Junior High Parent Teacher Association last week. Mrs. Margaret Darroch, historian, made her report a pictorial one. She acted as narator as the slides were shown. Most of the slides were authentic but they were interspersed with a few outside slides which brought forth humorous comments from Mrs. Darroch.

Another highlight of the evening was the installation of officers for 1956-57 by Mrs. S. K. Solleder. The ceremony was unique in that children read to their parents or teacher the duties of the office to which he or she had been elected. Officers installed were: Mmes. Charles Taylor, president; R. E. Davy, first vice president; E. W. Middleton, second vice president; C. A. Amundson, third vice president; Charles McMahon, fourth vice president; A. F. Denlinger, secretary; Jay M. Hopper, corresponding secretary, and Margaret Daroch, historian. Also installed were Merlin Gale treasurer, and John Gregory, auditor.

Mrs. Charles Taylor, the incoming president, gave an interesting report after having attended the California Congress of Parents and Teachers held recently in Sacramento.

Mrs. E. F. Brady, president, announced that the publicity record book of the unit received a Ninth District gold ribbon award and the state certificate of achievement. This book is compiled from all newspaper clippings, notices and bulletins of the unit.

The Triple-Trio of the music department of the school under the direction of Paul Cheatham, presented several selections.

At the close of the business meeting Mrs. E. F. Brady presented the gavel to Mrs. Charles Taylor who adjorned the meeting.

Hostesses for the social hour which followed were the room representatives and parents of classes 7-7, 6-5, 6-4 and 6-3.

Robert Clark, Tennessee hog-calling champion:
"You don't need any special talent, you just have to have a loud voice."

VLM PTA Publicity Book Wins Top District Honors

By MRS. H. K. THURSLUND

The Peter Bakker home, 7206 Blackton Drive, Vista La Mesa, was the setting for the May meeting of the executive board of the Vista La Mesa Parent Teacher Association Monday evening.

Discussion was held in regard to the May meeting of the association to be held May 31, and the June executive board meeting. Preliminary plans were laid for the annual faculty luncheon to be held June 15. Committee reports were heard from all committee chairmen.

Mrs. R. C. Alexander, president, made an announcement in regard to the Ninth District CCPT for the east county area to be held today, May 24 at the First Baptist Church in El Cajon. The Foothills Secondary, El Capitan and Mt. Helix PTA councils are uniting in providing this workshop.

Mrs. Alexander also announced that the publicity record book of the unit, which is composed of all publicity of the unit for 1955-56, was awarded the Ninth District gold ribbon award and the state certificate of achievement. In addition the book also attained the honor of being selected as the book to represent all elementary schools in San Diego County (Ninth District CCPT) to be displayed at the recent convention of the California Congress of Parents and Teachers in Sacramento. Each year four outstanding books are chosen from the district to receive this recognition, one book to represent all elementary schools, one representing the junior high schools, a third, all of the high schools in Ninth District, and the fourth book from one of the councils in the district.

Mmes. Robert Clarno, Jack Brage and Loman Keebler served as co-hostesses for the social hour following the business meeting.

Utt Endorses Shearer for Assembly

In an address to the Vista Rotary Club Wednesday noon, Bill Shearer endorsed Proposion "W" on the June 5 ballot. Shearer is the Republican candidate for state asemblyman in the 77th District.

Shearer said that Proposition "W" will assure a prompt completion of the Metropolitan Water District's aqueduct system. He said he knows of no opposition to the beneficial measure.

Meanwhile, at a packed rally at O'Quinn's restaurant in La

U. S. Rep. James Utt

Mesa, sponsored by the La Mesa Republican Club, Congressman James B. Utt endorsed the candidacy of Bill Shearer. Utt made a special trip from Washington to deliver the message in which he called for Shearer's election.

Admiral Leslie Gehres, San Diego's Republican congressional candidate in 1950, also endorsed Shearer in a stirring address.

Shearer toured the 77th District with U. S. Senator Thomas H. Kuchel this week. Kuchel and Shearer met groups of citizens in Escondido, San Marcos, Vista, Oceanside, La Mesa and National City.

The Fallbrook Republican Women's Club has passed a resolution endorsing Shearer's candidacy.

In talks throughout the district, Shearer expressed a continuing interest in a boat harbor for northern San Diego County. Shearer has endorsed the project.

Two Powder Puff Derby Fliers Readying for Fifth Air Race

Mrs. Isabelle McCrae, 7155 Mt. Vernon St., Lemon Grove, and her co-pilot, Mrs. Betty McNeil, 4665 Alta Rica Drive, Mt. Helix, will be the first to take off in this year's Powder Puff Derby.

The derby, officially the Tenth Annual All-Woman trans-continental Air Race, will begin July 7 at the San Mateo County Airport and end at Flint, Michigan.

This will be the fifth consecutive year that the two women have flown together. They will fly a Beechcraft Bonanza 35. Entries for the 2,366 mile race will close June 20. Race numbers have been assigned to 22 early entrants.

Route Outlined

An estimated 50 planes will vie for a $2,500 purse to be divided among the first five places plus trophies and other cash prizes and merchandise awards. Several other San Diego fliers are expected to compete in the annual race.

The race route will pass through Bakersfield and Needles, Calif; Prescott and Winslow, Ariz; Albuquerque, N. M.; Amarillo, Tex.; Wichita, Kan.; Columbia, Mo.; Urbana, Ill., and Ft. Wayne, Ind.

Marlene Joyce Apple To Wed Maryland Man

Marlene Joyce Apple will wed Tracy Riggins Jr., Saturday, June 2 at 4 p.m. at Vista La Mesa Christian Church, the bride's parents announced this week.

Miss Apple is daughter of Mr. and Mrs. William H. Apple, 7542 Church Street. The groom is a lieutenant in the U. S. Naval Reserve and is the son of Mr. and Mrs. Tracy Riggins Sr., of Luke, Maryland.

A garden reception will be held following the ceremony at the home of the bride. The couple will then leave for Las Vegas for a honeymoon.

Miss Apple attended elementary school in Lemon Grove and graduated from Helix High School. She was vice president of the Helix Duchess' and represented Lemon Grove in the Toyland Parade in North Park last year.

Irrigation of Avocado Trees Most Important

Irrigation is the most important and the most difficult cultural practice in growing avocados. No general set of rules on how to irrigate an avocado orchard may be given. University of California farm advisor, Don Gustafson, points out that each orchard is an individual problem and should be handled accordingly. There are a few basic principles of soils, plants, and water which should be considered in developing a sound irrigation program. Soil type, soil structure, soil texture, water quality, water penetration, use of water by trees and the factors of temperature, humidity, and wind which influence transpiration, or the use of water by the plant are important to know if a good irrigation program is to be followed.

The first irrigation of the season should be a deep one if winter rainfall failed to fill the soil depth. This permits the soil to be wet throughout the profile, as well as removing the salt residue in the surface area where most of the root activity takes place. Leaching the salts below the root zone is important, especially during short rainfall years. Subsequent irrigations should be applied in such a manner as to re-fill only that portion of soil which has become depleted of water. Examination of the soil should be made prior to each irrigation, either with a shovel, auger, or soil tube. Knowing how much water is present and at what level it is located is important, says Gustafson.

Avocado trees are surface rooting plants and much of the root system is in the upper 12-20 inches of the soil. It is critical to maintain a good water supply to these roots. Waterlogging avocado soils should be discouraged. Irrigation practices vary with the type of soil present in an orchard. All soils do not have the same capacity to store water. Clay soils retain the most water, and loam soils can hold more water than sands. A shallow soil needs more frequent application of water than deeper soil because of less storage capacity.

Gustafson points out that a good rule to follow is: "Irrigate only the dry soil." This may be the first six inches of soil or it may be 24 inches. This is the reason for checking the soil moisture before each irrigation. It will enable the irrigator to apply on the amount of water necessary to re-fill the soil reservoir.

TAFT STREET YOUTH IN INFANTRY MANEUVERS

FORT LEAVENWORTH, KAN. (Spcl)— Pfc. William F. Hooten, 21, son of Mrs. Mable J. Birt, 1541 Taft St., Lemon Grove, recently participated with the 1st Infantry Division in the 75th anniversary celebration of the Army's Command and General Staff College at Fort Leavenworth, Kan.

The college, a school of high military education for officers was honored by the "Big Red One" division with a series of parades and artillery salutes.

Hooten, a gunner in Company E of the division's 16th Regiment, entered the Army in April 1954 and was stationed in Korea.

He attended La Jolla High School. Hooten's wife, Patsy, is living in Abilene, Kan.

GROWING

If you have passed our Central Office at 8270 Lemon Avenue In La Mesa lately, you probably have wondered about all the activity.
In the above picture Jack Tracy, our Wire Chief and Jim Davis, Superintendent of the Nielson Construction Co., discuss the progress of our new building addition. Jack says, the space provided will allow for about 5600 additional subscriber lines in our exchange.
As fast as we build we find it difficult to keep up with the phenominal growth of this area. It may inerest you to know that in 1920 there were 207 telephones in our exchange. In 1950, 7868 and now six short years later, it has risen to 22,405.
Growing pains are healthy ones. These comparisons illustrate the constant effort we are making to keep abreast of the steady growth and development within our exchange.

Mrs. Frances Hanson, Pacific Telephone's San Diego Plant Office Supervisor, makes final payment of 1955-56 property taxes to Wilbur Easton, San Diego County Tax Collector.

What makes a company a good citizen?

We, at the Telephone Company, often ask ourselves what makes a good citizen because both as men and women and as a Company we want to be the best citizens we can. A good citizen pays taxes, of course. And, naturally the Telephone Company does this, paying property taxes of $1,924,600 last year in this county alone. As you know, this money comes from the telephone bills you pay. And the tax dollars we pay are dollars that contribute a substantial amount to good government in the community. But we believe it's not enough just to be a taxpayer. So we try to do our part in the community in other ways. We think it is important to take part in the activities of the Community Chest, the Red Cross, the Boy and Girl Scouts and other community affairs. Fact is, we believe the ways of being a good citizen are unlimited and we're anxious to do our part.

Winner Named in 'Play-a-Day' Contest

Leah Bultes, center, 7936 Broadway, became first winner in Hollywood Beauty Shop "Play-a-Day" contest.

Mrs. Bultes, an employee of Russell's Plumbing, is winner of two tickets to Las Vegas, where she will stay as guest of the fabulous Sahara Hotel. In addition to the tickets via air, she will have her food and entertainment paid for.

Shown in the photo above are Doires Veach, 390 Cates Street, representing the atmosphere of the Sahara Hotel; Mrs. Bultes, and Ken Priest, owner of five Hollywood Beauty Shops.

The shop in Lemon Grove is at 7892 Broadway. Another contest will be held Wednesday, June 6. Contestants may enter by dropping their name in a box in the shop. There is nothing to buy.

Fire in Michael's Kitchen Does No Damage—No Customers Alarmed

Fire department was called to put out a grease fire in the kitchen of Michael's Restaurant Monday evening. There was no excitement and diners were not aware of the trouble.

The fire department responded with their usual promptness, said the kitchen force had subdued the flames by the time the apparatus arrived on the scene. It seems that Michael's has apparatus at hand to subdue or smother flames of this kind.

At 6 o'clock the same evening the fire department was called to put out a trash fire on the hill, which was spreading to the surrounding dry grass. No damage reported.

Please be careful with trash fires, don't start fires on windy days.

Get a burning permit, if you burn trash, and obey the rules for burning.

The danger time for burning is here, and with your cooperation damage can be reduced to zero.—D. H.

Rebecca Circle Plans Rummage Sale

Women of the Rebecca Circle of the First Congregational Church promise "lots and lots" of bargains when they hold their first big annual rummage sale June 8 at Friendship Hall.

While good quantities of merchandise are already on hand, the women want more. Anyone having donations should call Mrs. Wheeler at JU 2-7408 or Mrs. Menard at HO 6-1847.

WEATHER UNUSUAL

Twister Topples Turkey Troughs

You've probably seen small whirlwinds around the area at one time or another, but last Tuesday you'd have sworn you were back in the middle west, had you been up at the McGowen Turkey Ranch on Campo Road.

It all started when a neighbor across Campo Road phoned the McGowens and told them the wind was toppling over their turkey feeders. Some of the men ran out and sure enough, a small twister had taken the galvanized iron roof off one feeder and carried it some 200 feet. It had also toppled one feeder, demolished another and narrowly missed another. The toppled feeder was the cause of death for six beautiful turks.

The feeders measure 18 feet by 6 by 6 and are well constructed. The McGowens, luckily enough, had just removed some 500 hen turks before the twister put in its appearance. It was discovered that quite a few palm tree branches had also been carried away in the blow.

It brings to mind another twister back a few years before the twenties. It came up from the San Diego bay and did considerable damage in Logan Heights. It broke out several heavy glass windows in a drug store at the corner of National Avenue and 26th Street, and even imbedded a heavy piece of galvanized iron in a telephone pole. One house at the corner of Logan and 28th Street lost the front and back porch. Part of the blow went into the house and took away a pair of baby shoes which were never found.

Choral Group to Have Concert Friday

Adult education choral classes of La Mesa and Lemon Grove will present a concert Friday, 8 p.m. at the Lemon Grove Junior High School, Lincoln and School Lane.

Members of the combined classes will present a varied program of choral numbers, including soloists and small groups, under the direction of Carl Dewse and accompanied by Charlotte Dewse.

The public is invited to attend and enjoy the results of the fine cultural training offered the citizens of this community by the Grossmont Adult Education School.

A free will offering will benefit the student music scholarship fund of the Junior Woman's Club. Members of the Juniors organized the Lemon Grove choral class and will be hostesses at the concert.

Chamber Asks Freeway Be Named 'Lemon Grove'

The Lemon Grove Chamber of Commerce last week asked the City of San Diego Planning Commission not to name the Lemon Grove Freeway Admiral Nimitz Freeway.

Bruce Harms, chamber president said in a letter to the Commission that everyone had a high regard for Admiral Nimitz but felt that our community would be losing its individuality by the suggested name change.

Proposition 'W' Winning Favor In S.D. County

Local groups working for approval of Proposition "W" at the June election report widespread support of the measure, according to Fred A. Heilbron, chairman of the San Diego County Citizens Committee which is directing the campaign.

"Endorsements of water and irrigation districts, governmental bodies, civic and other groups are beginning to roll in," Heilbron said.

"Community chairmen report sentiment is running strong for Proposition 'W' with no opposition developing. This is because passage of the measure will hasten completion of the Metropolitan Water District's Colorado River Aqueduct to its full delivery capacity, and that means the full supply from this source will be available earlier than originally planned.

"Important is the fact that the aqueduct project will be financed by $50,000,000 in short-term notes guaranteed by more than $170,000,000 in assured receivable assessments due the District. Therefore no tax increase is involved."

17 Classes of Competition in Coronado Horse Show

City of Coronado's second annual revived Horse Show will be held on Sunday, July 8 on the new golf course property on Glorietta Boulevard, adjoining the Coronado Yacht Club. There will be 17 classes, the first scheduled for 8:30 a.m.

The show will be conducted under the rules and regulations of the American Horse Shows Association Inc., and will be judged by accredited association judges. They are Miss Barbara Pease of Larchmont, N. Y., and John L. Behm of Glendale.

Ralph Walker of San Diego will be the show steward and ring master. Al Sherwin of Los Angeles, who announced last year's show and who has announced many of the outstanding shows in California, again will be at the microphone. Mrs., C. Ward Jaques will be the ring clerk, assisted by Greta Griffiths of Coronado and Mrs. Myrna Powell of Coronado will be entry clerk.

There will be two medal classes, open to junior members of the A.H.S.A., winners of which will be eligible to compete at the Cow Palace in San Francisco and at Madison Square Garden in New York City.

Sick Dog is Lost, Needs Medical Care

"King," Doberman male, ten months old, is missing, and his folks are greatly worried. King is sick and taking treatments. Needs special medicines.

King is gentle, nice disposition. His owners will pay a liberal reward for his return. So if a strange Doberman pup comes to your house, give him some water and a few kind words and phone HO 3-2896, or call Mr. Gray at Spring Valley Pet Shop. —D. H.

'Y' Camp Marston Ready For Area Youngsters

Spring Valley - Lemon Grove boys and girls will enjoy four resident camp periods this summer at YMCA Camp Marston in Pine Hills, near Julian, according to Duane A. Hawkins, County YMCA President. All periods are expected to be filled by June 1, Hawkins said.

Boys 9-14 years of age will attend June 26-July 5, July 5-12, and August 8-17 while girls 9-14 years of age will camp August 17-24. Membership in a Y club is not required and full information will be sent from the County Y office, 8th and C, San Diego, BE 4-5956.

Provisions for swimming, riding, crafts, hiking, fishing, and other camp interests will be provided the youth. Russell Bope and Glenn Van Denburg of the County Y staff will serve as program directors. Among improvements to facilities are additional redwood cabins, a new pool shower building, and newly located corral.

The resident camping is open to all County communities. The new Volcan Camp is being used by clubs on a weekend basis and an all summer day camp will be held in the Homela d communities among Red Feather County YMCA services.

CONNIE REID ELECTED QUEEN OF JOB'S DAUGHTERS

Lemon Grove Job's Daughters had a mother's night earlier this month. Quite a few mothers were present. All the girls brought their mothers favorite desserts.

Elections were also held. Elected were Connie Reid, honored queen; Karol Rife, senior princess; Ruth Dilly, junior princess; Karen Wrede, guide, and newly elected Stephanie Burns, marshal.

GEORGE WASHINGTON IS HERE — BUT NOT THE ONE YOU KNOW SO WELL

Guess who's in town? George Washington!

It's not the George who crossed you educational path or the Delaware years ago. It's a flesh and blood, living George. What's more, he's very gainfully employed in Lemon Grove. He's the shine and dye man at Joe's Shoe Service, 7876 Broadway.

Dis 'n Dat at Helix High . . . Congrats to Peggy Lester who recently became the first recipient of the new California college scholarship authorized by the state legislature. Peg will get six C notes a year for four years to further her personal education while in an institute of higher learning of her choice. At present her eyes are on Pomona. She will become a Helix alumna in June. . . . More than 1,500 Highlanders took part in last week's Hoot Mon Day held on the Helix campus. Half the proceeds will go towards the Highland bagpipe band. . . . Congrats to Joyce Harris, Beverly Svalstad, Lea Conlee and Louise Robinson for being elected songleaders for 1956-57. . . . Also congrats to Bob Lewis, Ron McClune, Russ Dahlquist and Bob Phillips for being elected cheerleaders for the same time. Glad to see four males, for a change, screeching the yells, although we've had some pretty good dolls exercising through the Highland noise.

Dis 'n Dat . . . Too bad about the scandal connected with the Miss San Diego contest. Feel sorry for Gay Cowie, winner, as I'm sure she isn't connected with the accusation of a "fix." But will have to confess that I've smelled and heard of a rat in past years. . . . With summer fast making its local debut, people will have to start watching out for roaming and raiding "beach rats" that seemingly enjoy smashing up parties, people and places. . . . Top tune around the county is still "Heartbreak Hotel" by Guess Who?

Treasure Chest Keys To Be Given By Pretty Pirate

A full costumed young lady pirate, and a pretty one too, will trod the streets of Lemon Grove Saturday May 26th handing out keys.

The keys, according to Dick Paden of the L.G. Department Store may or may not open a "treasure chest" which has been filled with "loot."

Those who can open the "treasure chest" will get a pair of Kaydettes. The chest will be located in the front part of the department store. The store is located a 7846 Broadway.

The pirate stunt is a promotion of the U. S. Kaydette Co. and the local store. Kaydettes are washable casual shoes.

L.G.-S.V. Pony League Baseball Opener

Baseball fans come on down to the Lemon Grove Jr. High baseball diamond at 1:30 p.m. Sunday May 27th and see our boys do their stuff in real competition. It will be a double-header game and promises to give all the thrills and excitement that you could expect to get in any game.

The boys will look real sharp in their new issued uniforms. The 4 teams are: Lemon Grove Sporting Goods, Spring Valley Sporting Goods, United States National Bank and Lemon Grove Merchants. They have been sponsored respectively by their names, and very capably coached by Phillips, Wright, Roseberry & Stafford. The support from the ladies auxiliary has been excellent. The ham raffle will be conducted sometime in the afternoon, which was promoted by the ladies auxiliary for the purpose of raising money to improve the ball field.

FIVE CIRCLES ATTEND WOMEN'S FELLOWSHIP AT CONGREGATIONAL CHURCH

Women's Fellowship of the Lemon Grove Congregational Church held their regular monthly meeting at Friendship Hall earlier this month. The meeting was presided over by President Marie Herder.

Present were members of the five circles, and several guests. Mrs. Myrtle Crane, the mother of Mrs. Sally Menard, one of our members, was here from Oklahoma. Also present as guests were Mrs. Grace Horton, Dorothy Crane and Mrs. Deyer.

Ruth Holmes spoke of attending a Council of Churches meeting and gave excerpts from several inspiring speeches she heard there.

We heard of the circle activities from the individual chairmen. The Rebecca Circle plans a rummage sale and bake sale. Best cakes and cheapest clothes, all with just one stop.

After a potluck composed of a variety of salads and cold dishes, delicious pies, cakes and cookies, we were entertained by Dr. Zoe Cory Bemis, who did a delightful play reading of one of Saroyan's plays.

RAMBLIN' 'ROUND

Ken Rister has moved his Insurance Agency across Broadway to the newly re-furbished Farmers Insurance Group building, at 7559.

Ken has not completed sorting his papers, hasn't reached the bottom of the pile, but likes the change, and is taking the same good care of his customers as he has in the past. The Agency has three agents in the office and the boys rotate their days on duty. With 5,000 policy holders in this area, it requires a lot of man power to handle the business.

You probably know that Ken represents Lemon Grove in the Traffic Association, recently formed. He hopes to get better Transportation for Lemon Grove folks, after some of the difficulties are ironed out.

The new home of Broadway Auto Supply is almost ready for occupancy.

A fine new building, costing some $16,000, has been erected at 7555 Broadway, about 50 by 100 feet in size, with corrugated aluminum sides and glass above, cement bricks and glass across the front. Lots of room, and a nice green cement floor, plenty of free parking in front. Watch The REVIEW ads for opening date.—D.H.

You'all are invited to view TV in color any day, Monday thru Friday at Snyder's Radio and Appliance, 7973 Broadway, between 12 noon and 1 p.m.

TV in color is shown on the COLORCASTER at that hour. Programs in color are shown at other times but not regularly. A surprise awaits TV viewers who have not seen color programs, and the programs in black and white are clearer on the colorcaster.

Mrs. Snyder showed me the different means of detecting trouble in a TV set, these testers costing thousands of dollars. —D.H.

Television channel 10 called this office in a dither the other night. Lionel Van Deerlin, 10's top newscaster said they had received an anonymous note advising that Lemon Grove's Fairest, Connie Kratz, was a L.A. girl. That Miss Lemon Grove was yet to be chosen. Since a film of the contest was being run on 10 that same night the station was concerned about showing it. Who, in Lemon Grove, could get them straightened out, they asked. Why! I could, naturally.

With a little head scratching we decided the L.A. should read L.G. We also decided that the note was a warning to the announcer not to make the verbal mistake of referring to Miss Kratz as Miss Lemon Grove. She is Lemon Grove Fairest of the Fair. The Miss Lemon Grove contest will be run next month under the sponsorship of the L.G. Junior Chamber of Commerce.

We got channel 10 running o.k. again and Miss Kratz, winner, and still champion, is Miss Lemon Grove Fairest of the Fair.—M.G.

Confirmation Candidates To Be Received By Bishop

Twelve candidates for confirmation from St. Phillip's will be presented to Bishop Bloy at St. Andrews, La Mesa, Sunday. The service will begin at 7:30 with Evensong, followed by the confirmation service.

The women of St. Phillip's are serving a delicious dinner on Thursday, May 31 from 5:30 until 7:30. The proceeds from this dinner will go to the building fund for the new Sunday School addition.

Local Rod and Gun Club Entry To Be E.S.D. Fair Queen

Sandra Duff, Talmadge Drive young lady, has been named queen of the East San Diego Fair it was announced by Thomas E. Goebel, president of the Lemon Grove Rod and Gun Club, sponsors of Miss Duff.

Competition was based on sale of advance tickets to the Fair and Miss Duff accounted for approximately $7400. She had assistance from the Lemon Grove Junior Chamber of Commerce. She will reign over the Fair, in El Cajon, from Memorial Day through Sunday June 3rd.

The Rod and Gun Club which meets regularly at Lee-Wood Trailer Court, 7150 Broadway, has throned a queen two years in a row according to John G. Hauft, queen chairman.

FULL COLOR MOVIE SCENES AVAILABLE LOCALLY IN 3-D

A new View-Master three-reel packet made up of 21 full-color actual scenes from Warner Bros. movie spectacular, "The Animal World," is now available at the Lemon Grove Camera Store, according to Bob Vaught.

The new View-Master packet, accompanied by a descriptive and informative story folder, tells the story of the struggle, survival, and death which began two billion years ago when life first appeared in the primeval seas. Among the exciting scenes are those showing "the battle of the dinosaurs."

The Warner Bros. film was written, produced and directed by Irwin Allen, whose "The Sea Around Us" won a Motion Picture Academy award.

THE EDITOR LETTERS TO

Dear Editor:

I am writing this letter to you to thank you for the wonderful job which you did on the recent Lemon Grove Youth Center Talent Show.

Your enthusiasm and hard work has made it possible for us to pay off some of our debts and present a better future program.

On behalf of the board and the youth of Lemon Grove, please accept our sincere thanks.

Sincerely,
John T. Warburton
Chairman, Lemon Grove Youth Center Control Board

Dear Editor:

For the past year I have been publicity chairman for the Lemon Grove Women's Club Juniors and the Monterey Heights P.T.A. On behalf of these two organizations I'd like to thank you for the wonderful cooperation you and your staff have given us in all our publicity work.

I found it a pleasure working with you and "your gal Friday."

Thanks to Roger Johns for all his "swell " pictures.

Sincerely
Sis Major
Publicity Chairman
Lemon Grove Women's Club Juniors

Let us return the compliment! This helps us prove again that those clubs which supply us with information within our deadline limits practically always see their offerings in print. You took the trouble to ascertain our requirements (which are simple) and met them.

As you discovered, it's rewarding, and fun, too, when your items appear in print.

Ed.

Dear Editor:

Thanks for you article in your May 3rd issue on the swimming pool problem. We would be extremely unhappy if this proposal were to conflict in any way with the development of the pool proposed for the Lemon Grove area.

Yours very truly,
Lewis F. Smith
Grossmont High School District Superintendent

ANCIENT AND MODERN NECROMANCY DENOUNCED IN SERMON

"He that overcometh shall inherit all things; and I will be his God, and he shall be my son." This verse from Revelation (21: 7) is the Golden Text of the Lesson Sermon in all the Christian Science churches on Sunday. The subject of the sermon is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

The main portion of the Lesson-Sermon tells of the rebuilding of the walls of Jerusalem by Nehemiah and of the overcoming of the efforts of the enemy trying to hinder the work both mentally and by threats of physical violence. A statement preceding the account is quoted from the beloved Apostle John: "Every one that doeth evil hateth the light. . . . But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God." (3:20,21)

Ed Lewis Dedicates Himself to Fishing

Ed Lewis, 2430 Bancroft, Spring Valley, former operator of Lemon Grove Paint at 7840 Broadway, has returned from a six week's fishing trip in the northwest.

Lewis, who said that he is going to do "nothin' but fish" the rest of his days says he took Chinook Salmon from the mouth of the Columbia River and Steelheads from the Santa Ana. He drove 3300 miles on the jaunt.

Lewis' Wife Alma died last year following a lingering illness after which he retired from business. Only recently did he feel well enough to stir about.

He said he was going to stay home long enough to attend to a few loose ends and then hit the fishing circuit again.

How long, this time? "'Til I get back," says Ed.

V. A. Homeowners Guide to Be Supplied Veterans

A 22 page guide for veterans who have purchased homes with the aid of GI loans, is now available at all Veterans Administration offices. Its title is "Pointers for the Veteran Homeowner."

William Berry, manager of the S. D. VA office, said the pamphlet is designed to help World War II and Korean conflict period veterans avoid some of the pitfalls of home ownership.

The pamphlet discusses the obligation of veterans under the terms of the GI mortgages, how to protect their investment, and the importance of regular payments.

It also covers advice to veterans who have trouble making their payments and warns them against sharp real estate practices.

The responsibilities of the veteran who sells or rents his home before the GI loan is repaid also are outlined.

The pamphlet advises veterans what to do if they are recalled to active military service while owning a GI home.

A copy of the pamphlet will be sent to each veteran who closes a GI home loan in the future and to each veteran who has obtained a VA direct loan.

Veterans who already have received GI loans may obtain copies by writing to their VA regional office. There is no charge for the pamphlet.

GI mortgage lenders may obtain a supply of the pamphlets from the VA regional office for distribution to veterans having VA-guaranteed loans.

AREA COMPOSER-LEADER IN JAZZ CONCERT THIS WEEK

Alan Oldfield, 2640 69th St., Lemon Grove, as band leader and composer will perform in the second annual spring jazz concert Thursday night May 24 at San Diego State College.

His 18-piece dance band and four combos will play at 8:15 p.m. in the music auditorium. Proceeds of the $1 admission fees will go to music scholarship fund.

Among Oldfield's compositions played will be two new works, "Outher Space" and "Opus 4." The featured combo won second place in competition with colleges of southern California last Easter at the Hermosa Beach Lighthouse.

LOCAL MAN MARKS 40 YEARS WITH INSURANCE FIRM

Walter H. Eager, Hartzel Rd., observed his 40th anniversary with the Connecticut Mutual Life Insurance Co. this week.

A graduate of Washington and Lee University, Mr. Eager joined the Connecticut Mutual as an agent in 1916. For a brief period he served as general agent in Huntington, W. Va., and Springfield, Mass., coming to the San Diego area in 1928.

Mr. Eager is associated with the Alpheus J. Gillette agency of San Diego.

County Tax Cut Likely Says Bird

Possibility of a decrease in the county's tax rate was reported this week by David W. Bird, chairman of the Board of Supervisors, who is a candidate for re-election in June.

The Board last week approved preliminary budget figures which would establish the tax rate at the same figure as last year, but Bird said that public hearings will be held June 20 and that some reductions may be made at that time.

"The Board," Bird said, "has a policy of holding new activities to a minimum, and of keeping a tight rein on the county's fiscal policy. This is the more important this year because of the increasing needs of school districts and other governmental units.

"The recently announced Atlas missle program, Bird said, "inevitably will result in increased service demands in the county, but the Board is keeping in close touch with this and other industrial developments to insure the necessary essentials will be provided at an acceptable level and at minimum cost."

Mason, Armstrong Win Back Seats On School Board

The area's most discouraging election in point of turn-out, that of the elementary school board, produced a total of 747 ballots Friday.

Reelected to office were Frank Armstrong, attorney, with 301 votes and Channing Mason, Lemon Grove businessman, 293 votes.

Not elected was Robert Buckner, County Agricultural Inspector with 150 votes.

By precincts the unofficial results were:

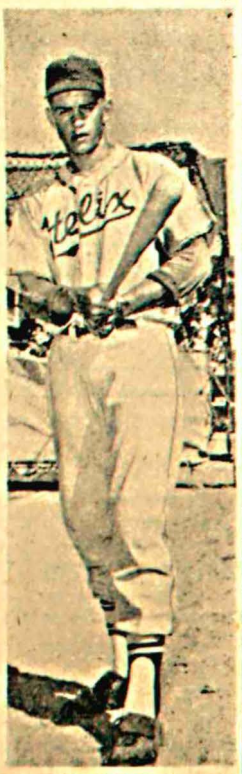
7 Strikes— You're Out

By BOB TURNBULL
Teenage Editor



Ronnie Svalstad

"Having seven strikes called against him during one trip to the baseball plate" is a sports oddity but it happened to Ronnie Svalstad, 18, son of Mr. and Mrs. Palmer Svalstad, 7536 San Miguel, Lemon Grove.

South Dakota is Ron's birth state and California claims him since the beginning of his fourth chronological year.

To make a long story short Ron attended Lemon Grove Junior High School where his sports participation began an upward swing. During the summer months between the sixth and seventh grades Ron played left field on the championship little league baseball team from Ryan. Following elementary school graduation into Helix High Ron has become the top student leader as well as a sincere, hard-working tri-sport letterman for three years.

At present Ron is student body president of Helix and is well experienced at the task, having been sophomore and junior class prexy. He is a member of the Lettermen's Club and was an active member of the Lemon Grove Hi-Y.

Standing nearly 6 feet 4 inches and bulging the scale springs at 200 pounds, Ron is equipped with brown hair and blue eyes like his older brother Bernie (sophomore at S. D. State College) and his younger sister, Beverly, Helix junior.

Football (end on offense, tackle on defense), basketball (forward) and first sacker on the varsity nine are Ron's three sports, of which he has spent three varsity years.

That wierd experience at the plate when Ron stayed up for seven strikes occurred three years ago during the Easter Kiwanis baseball tournament when, Ron figures, the ump just goofed and after three strikes thought another batter was making his debut so Ron "stuck it out" only to "struck it out."

But not all of Ron's wierd happenings have ended in personal disaster. During this Easter's tournament he batted three-for-three in the final game of the consolation bracket. His two runs batted in helped Helix beat their "Big Brother" Grossmont, 4-2 and win the championship. Ron's seasonal batting averages out to a .300.

During Ron's junior and senior year he has received honorable mention in football and during his junior year, honorable mention is basketball.

"A great athlete is nothing in school if his scholastic average is also nothing," so states Ron. "Believe me, grades are very vital to an athlete, both in retaining his eligibility, toward a stronger academic foundation for his team and school, and above all for his personal future."

Stanford, Pomona or USC are the institutes of higher learning currently being eyed by Ron for next year. From that he'll enter into some educational field.

Another important philosophy to keep in the back of your mind comes from Ron, and that is "the coach can only do so much, the rest is up to the team."

E. Litoshko, Pravada correspondent, accompanying Soviet Farm delegation on tour of U.S.

"The American people want peace and abhor war."

High Taxes Deplored By De Graaf

County taxes are rising higher and higher, and the taxpayer is getting less and less in return, Peter De Graaf, candidate for supervisor in the second district said Friday night at the first of a series of "coffee hours" being arranged by his friends.

Addressing a large number of second district voters at the ranch home of Mr. and Mrs. Richard Judson on Highway 80, De Graaf, a Chula Vista councilman, declared that "Taxes are soaring because of conditions which have been allowed to develop by the superivsors." He cited the fact that the cost of county welfare during 1955-56 will be $19,305,000 or 41% of all expenditures, exceeding that total income from property taxes, which was estimated at about 18½ million dollars.

"The welfare program has been permitted to become a poltical football, and, in spite of the efforts of the past grand juries, the cost is excessively high," said De Graaf. "The board of supervisors is endangering the future of adequate support for our needy children, needy blind aid, and the old age security program by their refusal to adopt or cooperate with the recommendations of the grand jury, and of their paid advisors. The continuance of the unjustified expenditures and waste of funds by an incompetent welfare administration is a threat to the maintenance of funds for the deserving needy and old age dependents."

The representative of almost any foreign country can tell you why it will be highly advantageous to the U. S. to make a large loan.

Peters Wins School Board Post by Wide Margin

Albert Peters

Voters going to the polls in 11 precincts last Friday to elect one School Trustee for the La Mesa-Spring Valley School District, proved beyond a doubt they wished to retain the incumbant, Albert Peters.

Opposing Peters was Frank L. Foster of Brookside. Here is a breakdown of the voting:

Rolando, Peters, 46; Foster,31; La Mesa Dale, Peters, 72, Foster, 32; La Mesa Elementary, Peters, 99, Foster,29;Lemon Avenue, Peters, 86, Foster,34; Spring Valley Junior High; Peters, 44, Foster, 12; Casa de Oro, Peters 63, Foster, 21; Spring Valley Elementary, Peters, 78, Foster 50; Pals and Gals Clubhouse, Peters 46, Foster, 15; Murray Manor, Peters, 44, Foster, 16; Fletcher Hills, Peters, 46, Foster, 17; Grossmont High, Peters, 69, Foster 33. Total Peters, 693 votes, Foster, 290.

Heart Condition Hospitalizes Kenneth Priest

Kenneth Priest, 1715 Englewood Drive, operator of Hollywood Beauty Shops in Lemon Grove and San Diego, has been hospitalized from what is believed to be a heart condition. He is in Grossmont Hospital and resting nicely, his wife said earlier this week.

He suffered an attack while week-ending with his family at Borrego. On his return home his family had him hospitalized.

His exact condition will not be announced until later in the week.

Priest is out!

He was strolling Lemon Grove streets, fat and sassy, Wednesday. Ed.

FRANK BEATTIE PASSES AT 66

Death came Saturday to A. Frank Beattie, 66, of 8206 Mt. Vernon Street.

He was a retired inspector for the Mack Truck Company. Rosary and Mass were held Monday and Tuesday at St. John of the Cross Church in Lemon Grove followed by interment in Holy Cross Cemetery.

Beattie was survived by his wife, Ella; a daughter, Lucille Kokas of Spring Valley; three sisters, a brother and four grandchildren.

He was a member of San Miguel Chapter of Knights of Columbus. Arrangements were handled by Conrad Mortuary.

Wanna Go t' Disneyland?

A full day of entertainment and fun at the famous "magic kingdom" of Disneyland is offered Spring Valley and Lemon Grove youngsters "from 8 to 80" by the San Diego County YMCA May 30, Memorial Day, according to an announcement from 'Y' headquarters today.

Buses will leave La Mesa Elementary School at 6:30 a.m. and will return the same day at 6:30 p.m. Cost for the entire trip will be $4.50 for youngsters under 12 years, and $5.00 for junior and senior high school students, and $5.50 for adults. Transportation will be by San Diego Transit System.

The price includes transportation to and from Disneyland, admission to the "magic kingdom," eight rides, a copy of the Disneyland News, a special show by Disneyland, all the free attractions, plus YMCA supervision.

Youngsters are asked to bring their own lunch and extra spending money (optional).

Buses will leave the La Mesa Elementary School.

Parents interested in having their youngsters take advantage of the trip were asked to call or write Glenn Van Denburg, 1115 Eighth Avenue, San Diego 1, California, telephone BE 4-5956.

Democrats Supporting Kuchel Says Former Publisher

"I am a bit amazed at the 'jitters' displayed by a few Democratic party nabobs apparently over the growing Democratic support for Republican, U. S. Senator Thomas H. Kuchel."

So commented E. Manchester Boddy today.

Boddy is state chairman of a committee of Democrats pledged to support Senator Kuchel for re-election.

"I was somewhat surprised to note, Boddy declared, "after I pledged my support to Tom Kuchel — a right certainly inherent in political tradition — the Los Angeles County Democratic committee passed a resolution and released it to the press, stating 'Boddy does not speak for . . . and he does not represent the Democratic party.'

"Of course I don't" said Boddy nor have I ever presumed to do so . . . although I might remind my friends that as former publisher of the Los Angeles Daily News I spoke many thousands of words for the Democratic party, at the request of Democrats, and in behalf of the party.

"Surely members of the county central committee are aware that with the regularity of elections, California Democrats vote for Republicans and Republicans vote for Democrats.

State Should Operate Its Water System Says Yorty

State construction and operation of major state water development units, with federal financial assistance, is the "best compromise solution" to California's water problems, former congressman Sam Yorty, candidate for the Democratic nomination of U. S. Senate, said Monday evening in the Golden Avenue School, Lemon Grove.

Yorty said most Southern California water authorities "feel the state, with federal financial assistance, should construct and operate the Oroville Dam, San Luis Reservoir and related units of the state water plan."

Yorty seeks to unseat Sen. Thomas Kuchel (R-Calif.)

NURSE AT AREA HOSPITAL EARNS SCHOLARSHIP

Mrs. Mildred Patterson, R.N., Supervising Nurse at the La Mesa Hospital has been awarded a partial scholarship by the San Diego County Tuberculosis and Health Association to attend the Conference for Nurses in Administrative and Supervisory Positions.

This conference will be held at the University of California campus in Santa Barbara, June 10-13, 1956. Mrs. Patterson was selected among the Staff Nurses of La Mesa Hospital because of her long experience in administrative positions. The conference will be attended by supervisory nurses of eight western states.

The theme of the conference will be "Human Relations in Supervision."

The Stork Parade

Congratulations are in order for Lawrence and Wilma Wright of 8842 Valencia Street, on the arrival of their first son, Eugene Zane. The little lad, weighing 9 pounds and 11 ounces, was born at the Grossmont Hospital Sunday, May 6.

The Wrights also have a two year old daughter, Jerre. Papa Lawrence is with the San Diego Gas and Electric Company. The former Wright home was in El Cajon. They have been in Spring Valley about a year.

Congratulations also to Wilbur and Betty Reed out at the El Cajon Gravel Co. at Jamacha. Their first born, a daughter weighing 7 pounds and 3 ounces, was born in the La Mesa Community Hospital Friday, May 11.

The new papa has been a resident of the area about 18 years, residing most of the time in Mexican Canyon. Mama Betty is from Jamul.

Mrs. Virginia Hilliard Passes

Funeral services were held last Wednesday, May 16, at Greenwood Mortuary, for Mrs. Virginia Hilliard, 79, who passed away in Grossmont Hospital Monday of the same week. Interment was in Greenwood Park.

Mrs. Hilliard had been ill for quite some time and lived with her son John and family at 4163 Camino Paz, Spring Valley. She was a retired seamstress and born in Indiana. Besides her son John she is survived by two grandchildren and a brother, William Withers of Ottowa, Illinois.

LEMON GROVE CUB PACK 308 TURNS HOBO FOR MEETING

At the Junior High Cafetorium Friday evening, Pack 308 played "hobo" as the theme of the month. Dens 3 and 4 led the way with a railroad, stew-cooking scene that had everyone's mouth watering. The entire pack looked thoroughly disreputable, but enjoyed a casting exhibition by Erv Brandon, along with a movie entitled "Fishing Fun."

Mr. Kelly and Mr. Doolin presented the following awards and recognitions:

Bobcat badges: Gary Beekham and Richard Thurman.

Wolf badges: Kenny Carney, Billy Lockhart, James Stottlemyer, Bobby White, Robert Hartman, Michael Laub, Frank Muzzy, and Richard Thurman.

Gold arrows (wolf): Tommy Bruton, Jim Stevens, James Stottlemyer, Bobby White, Robert Hartman, Michael Laub, Frank Muzzy, Kenneth Yarber, and James Caster.

Silver arrows (wolf): Jim Stevens (three), Robert Hartman, Frank Muzzy, Bruce Carlson, R. G. Knowles and Fred Wallhauser (both two) and Donald Lewis.

New Booklet Available for Heart Victims

The Heart Association's new 16-page booklet for heart attack patients, written by Dr. Paul D. White, is now available without charge at the San Diego County Heart Association offices, Dr. A. L. Edgar, president of the local association, announced today.

Dr. White, the noted Boston cardiologist who attended President Eisenhower during his illness and recovery from a heart attack, writes that heart attack patients can help themselves get well, through the individual's own "zest for living" and intelligent cooperation with his doctor.

In his booklet, entitled "Heart Disease Caused by Coronary Atherosclerosis," Dr. White explains that a heart attack results from a thickening and hardening (atherosclerosis) in the coronary arteries that supply the heart muscle with oxygenated blood. If a clot forms in a coronary artery already narrowed by atherosclerosis, it may cut off the circulation to a part of the heart muscle. This is the commonest form of heart attack and is known as coronary thrombosis.

Copies may be obtained by heart patients, physicians and others on request to the San Diego County Heart Association, 1651 Fourth Ave., San Diego 1, BE 4-5101.

Lemon 8'trs Anniversary Provides Fun and Frolic

By ALICE O. WILBER

The stay-at-homes (and there weren't many) missed a wonderful evening's dancing Saturday night at the Lemon Eighters first anniversary party.

The guest list read like a who's who of square dance clubs. There were dancers from the Levis and Laces, Country Squares, Square Eighters, Huff and Puffers, Lariats, Hix Mixers, Merry Wheelers, Square Wheelers, Balance and Swing, Dip 'n Divers, County Squares, Town Squares, Forward Eights, Circle and Star, Sunset Squares and Convair Hoedowners.

The Square D Toon Twisters supplied the kind of music that kept the floor filled for every set.

Al Lindsley's "Loosetalk" had all buzzing. Frank Dyson "Kept it Neat" and George Vagtborg had plenty of opportunity to "Watch 'em Smile." The smiles were so plentiful no self respecting frown would hang around. The program was juggled a bit here and there and some wonderful calls came up by Roy Close, Marian and Tommy Ashton, Frances Neises, Ray Devon, Don Franks, Gladys Rongery, and Janey and Linda Bryan. Clarence Montgomery, who could have used a jetmobile to make his rounds so in demand was he, came in a bit late. His new call, Dixie Square, was worth waiting for! He received an ovation from the dancers, who would not let him leave the stage until he gave an encore.

So successful was the whole evening that it posed a problem. How to top it next year? Well, we'll have 12 months to figure that one out and in the meantime, we'll have our regular monthly party this Thursday. All dancers invited.

La Mesa Writers Club To Install New Officers

The La Mesa Writers Club will hold installation of officers Monday, May 28 at the home of Mrs. Earl Holmes, 8033 Fairview Drive, La Mesa. The officers will be self-installed.

Those who are to be installed are Nannette Thompson, president; H. A. Thomas, vice president; Lois Heiserman, secretary; Eleanor Smith, treasurer; Louise Fuller, parliamentarian; Hazel Smith, auditor; John Hoeck, historian; Zoe Bemis, board of directors.

Committee chairmen appointed are Sara May Thomas, membership; Grace Wolstead, publicity.

The first meeting in June, under the new officers, will be enhanced with a poetry contest, judged by the members themselves.

OBEDIANCE TRIALS SCHEDULED FOR MONTH END

The Obedience Club of San Diego County, Inc. will conduct its seventh annual All Breed AKC Obedience Trials on Sunday, May 27.

These trials will be held in Balboa Park at Sixth and Palm with judging to commence at 10 a.m.

Entry blanks may be obtained from Mrs. Oliver Hardy, 7571 Orien Way, La Mesa and all entries must be in by midnight, May 14.

CLAIMS TAX SAVINGS WILL RESULT FROM BOROUGH GOVERNMENT

By DICK HENDERSON

A meeting of seven members of the recently formed San Diego Industrial Development Council was held Thursday evening at 928 Broadway, San Diego.

Called for 8 o'clock, Robert J. McPherson was the only member present at that time, but Mr. and Mrs. West Kennerly of Encanto, Miles Nagel, sponsor of the borough formation and chairman of the group, Art Burns and Roy Hoag arrived in a matter of minutes.

According to Miles Nagel, mayor of La Mesa for two terms, and declining a third, the borough form of government is not new. In 1898 New York City went under the borough plan, and has operated under it since, though the five boroughs are combined as a board of estimate, rather than directors of the operation.

The San Diego Development Council is the nucleus of the formation. Much explanation is needed and a central committee to put out that information will be formed as a starter. Miles Nagel, who has studied the system and given many talks at various meetings in the southern area of the county, announced his willingness to aid in addressing meetings at any time.

There appear to be many advantages in this form of government, particularly applicable to San Diego city and county. Each district will have its own directors, with no conflict with other districts.

Lemon Grove and Spring Valley, for instance, and nearby territory, would be in the same group, since their interests coincide.

Ultimately, the whole county would be divided into boroughs, with the authority centered under one head.

Ray Hoag suggested that since San Diego is a Navy town, the way the Navy operates serves as an example. The captain of a battleship, for instance, is in charge of his ship, but subject to the orders of the Navy department.

Waste and water reclamation of the entire area was included, would have an estimated $3,500-000 yearly if facilities were combined, where the amount would be lost, besides much expense, should each borough act independently.

West Kennerly, a resident of Encanto, said he would guarantee an attendance of 200 persons should a meeting be arranged for in his bailiwick. Nagel smiled, said he would be available to explain the plan.

You folks will probably hear considerable about this borough plan. If a meeting in the Lemon Grove-Spring Valley area is arranged, you will be invited to attend and learn about the plan and how it will operate to your advantage in saving tax money.

As an instance, Nagel mentioned the tax collection of La Mesa by the county tax collector at a yearly saving of $12,000. Formerly, with La Mesa assessing each property separately, billing and mailing, the work was tremendous. Now, with the county assessment figures used and the La Mesa taxes included in the county tax bill, with the county tax collector doing all the work of billing and collecting, the expense is cut to a minimum, and La Mesa gets the money in two checks.

This is a rather sketchy report of a meeting that may have repercussions of advantage to all taxpayers. It seemed fantastic to me before I attended this meeting, but I came away enthusiastic about the possibilities of saving tax money. So I urge each of you who are paying taxes for government to give some thought to the matter, and talk to your neighbor.—D. H.

Buyers and Sellers Establish Property Assessment Values

EDITOR'S NOTE: This is another of the series of stories prepared by the State Association of County Assessors of California describing the duties of your Assessor and services available to you through his office.

Although the Assessor of your County is charged with the assessment of your County for tax purpose, the value of propery tis actually established by you, the taxpayers, as buyers and sellers. The Assessor does not make value, he follows value.

This is especially true in business and industrial land and, to a great extent, agricultural land. The reason underlying the increasing values in California, of course, is the phenomenal population growth and industry which overnight has turned vacant land into valuable residential and industrial areas.

So, when the Assessor makes his annual assessment roll based on full cash value, he must take into consideration the price, and therefore, the value that the people establish when they buy and sell property.

In the assessment of buildings, continuous, careful study is made of the actual cost of construction, not only through talking with contractors and realtors but also by checking this information with nationally recognized indices.

In assessing agricultural land, soil classification, water availability, frost conditions as well as the price paid by the taxpayer are taken into consideration.

These methods are approved by the Department of Agriculture, the Federal Land Bank and by the State Association of County Assessors. Use of these methods lets the agricultural land owner compare his assessments with similar land throughout the County. Local conditions such as proximity of the property to markets, good roads, schools and other facilities are factors that have a bearing on property values.

Unit foot values are established in the assessment of urban lands. A unit foot is one foot fronting in a street and 100 feet deep. Where lots are more or less than 100 feet deep adjustments are made in arriving at the assessed valuation.

In business and industrial areas the Assessor uses a capitalization of income as an additional factor in arriving at the value on this type of property. Because this latter procedure has been established through court ruling, you can be assured that your Assessor is not going to attempt a haphazard estimate of values but will carefully weigh and analyze all information and data affecting that property. Failure to take all of the above factors into consideration would facors into consideration would lead to costly litigation for the county.

The tax laws of California classify property in four separate categories, i.e., (1) land (2) improvements (including all structures such as buildings, fences and trees) (3) possessory interest where a private individual is in beneficial possession and use of government owned and, therefore, tax exempt proprty, and (4) personal property.

In the assessment of the first two classes, because of the fixed nature of this property, the tax becomes a lein on the property itself. If the owner sells without paying the tax, the new owner is responsible for the delinquency.

The Assessor faces many problems in making assessments of personal property because household goods, farm implements, tools and other equipment have a fairly fixed market value when new. However, each owner treats his personal property differently than others. Therefore, the judgement of the Assessor must govern the ultimate assessed value.

The State law requires each person who owns personal property to file with the County Assessor a list of all property he owns, possesses or has in his control at noon on the first Monday of March. The Assessor assists the property owners by having a deputy available to help in the property declaration and the Assessor has the responsibility of placing a value on property within his jurisdiction throughout the year.

(The last of this series tells of the sources of revenue that supply funds to meet governmental expenses.)

set for hearing.)

Refund Impossible

Letter from county counsel stating that Tommie Lawrence, Lemon Grove, had been informed, in response to his request for information as to the procedure for securing a refund of tax payments for the past three years, and that his failure to appear before the board of equalization in any of the past three years to protest alleged excessive valuations renders any refund of taxes impossible at this late date under the tax laws.

Letter from the chief administrative officer submitting and recommending adoption of a form of resolution, prepared by county counsel, fixing $8.60 as the cost per day of caring for a dependent child at the county's receiving home.

Coach Fare to Ellay Raised:

Letter from director of public works reporting that an opinion just received from the public utilities commission orders that the increase requested by the Santa Fe Railway (application No. 36802) may be put into effect within the next ten days, which will result in an increase from $2.37 to $3.16 in coach fares between San Diego and Los Angeles one way.

Letter from the county boundary commission advising that the revised description of boundaries of the Spring Valley Sanitation District as of June 7, 1955, is correct, and recommending approval.

The department of public works submits a sewer easement to be accepted by Spring Valley Sanitation District. (Approved by county counsel.)

Letter from road commissioner reporting an increase in cost of road oils, and requesting approval of a change in the present base price of 40 cents per lineal foot to 44 cents per lineal foot on the liquid asphalt used on cooperative projects, resulting in a cost to the individual property owner of 22 cents per front foot.

Petition of the state division of highways for the cancellation of taxes on property acquired for public use brought out some opposition to the cancellation of taxes years ahead of the use of the property. It was suggested that representatives of the state meet with the board and discuss the matter.

Supervisor Austin mentioned an instance of cancellation of taxes at least two years before the freeway will be started.

Lemon Grove To Have Own Theatre Guild

Plans were revealed this week that an active theatre guild had been formed in and for Lemon Grove. The group, the executive board said, would be called The Lemon Grove Theatre Guild.

Only Broadway shows and shows that the people of Lemon Grove wanted will be presented. To start the group off they will open with one of Broadway's latest releases, "Grand Prize" by Ronald Alexander, on June 29th and 30th.

The cast will consist of all local talent and will be presented in the Helix High School Little Theatre.

The Lemon Grove Theatre Guild will be a member of the San Diego Little Theatre League. Other amatuer theatre groups are located in Chula Vista, National City, La Mesa, San Diego, La Jolla, Alpine, and Pacific Beach. Mrs. Dixie Lowe, president of the the group said, "We are happy to be able to bring the people of Lemon Grove a chance to attend stage shows locally. We are looking forward to a bright and prosperous future with the people of Lemon Grove."

Head of Local Bank Chain Moved Up In State Assn.

At the closing session of the current California Bankers Association 65th annual convention in Coronado, Anderson Bothwick, president of the First National Trust and Savings Bank of San Diego was installed as vice president of the association, according to Jack Koop, manager of the Lemon Grove facility.

Under the usual order of promotion this is tantamount to Bothwick's appointment as president of the California Bankers Association in 1957. He had been elected Chairman of the Association's Council at the preceding convention in San Francisco.

Mr. Bothwick's new position will be in addition to his duties as president and a director of First National as well as director of the Pacific Telephone and Telegraph Co., the Federal Reserve Bank of San Francisco (Los Angeles Branch), California State Chamber of Commerce, and the Fiesta del Pacifico. He is the first San Diegan to be elected to the Board of Directors of the Pacific Telephone and Telegraph Co.

Hospital Women To Work at Coffee Meet

Invitations are out for "coffee time," sponsored by the Lemon Grove unit, Grossmont Hospital Women's Auxiliary, in the home of Mrs. Bert Cosby, 8277 Golden Avenue, Tuesday, May 29, 11 a.m. to 1 p.m.

"Come with shears in hand and bring your friends and theirs," read the clever cut-out coffeepot invitations.

According to Mrs. W. K. Phillips, Lemon Grove area chairman, any woman who is interested in learning how she may serve her community by working as a volunteer for or in Grossmont Hospital, will be welcome to attend the coffee party. It is not necessary to be personally invited by anyone. All who wish to attend and/or bring guests should call her in advance, HO 9-6995.

'Royal Pair' To Be Named By Baptists Friday

Sunday evening at 7:45 p.m. in the First Baptist Church, located at Main and Burnell streets, Lemon Grove, the young man and young lady who have been chosen by the Intermediate department to reign as their Queen and King for a year will be crowned in a formal Coronation service. This beautiful ceremony was initiated in the church one year ago and is planned to be an annual affair. Those who observed the service last year were thrilled by the beautiful robes, and costumes worn by the "Royal Court."

This year's service is planned to be as impressive.

These boys and girls, from thirteen through sixteen years of age, will attend their formal banquet Friday evening at 6:45 in the church dining hall. At that time the ones who will be crown-runners-up will be announced.

GRANDFATHER PASSING OUT CIGARS FOR NAMESAKE

Gregory Lambron, 8289 Golden Avenue, a widower, is passing out cigars this week.

He is a new grandfather of a boy baby named after him. The child was born to his daughter, Mary Balourdas of Los Angeles.

Lambron has a son also named Gregory.
